

What Pathway is right for you?

I have a voucher or found a unit

Do you have a **voucher** but need help finding a unit? OR
Have you **found a unit** but need help with move-in costs?
We can connect you right away to a staff who can help you.

I'm in a priority group

Are you **18-24** or **62 years or older**, a **Veteran** or **HIV+**?
We can connect you right away to someone who knows the housing resources that you're prioritized for.

I can reunite with family or friends

We can help you do this through mediation, service connection, and quick funds to help with a reunification.

I need a setting with supportive services

Are you looking for a **domestic violence shelter, treatment, or assisted living**?
If so, we can connect you with our team to find openings.

I'm ready for housing now. Tell me my options

If you want to **get out shelter now** we can help find a unit or room. We'll explore ways to increase your income or possible rental assistance to make it affordable while we work on a longterm plan.

I want housing, but don't know if it's possible

If you **want housing** but are nervous that **something from your past** will get in your way, we have staff who can help you. They won't let anything stop you from finding housing. They'll find a solution.

So What is Available? Triaging to Housing Pathways

Housing Pathways Triage Approach

Questionnaire + client-facing information to help guests consider an array of housing pathways out of shelter. Ashley can provide materials and training to your site if needed.
